Q.2 Solve this question : **[14]**

You are Rohan Mehta, a final-year B. Tech student in Computer Science at Rajiv Gandhi Institute of Technology, Bengaluru. Your college recently conducted an industrial visit to Infosys Campus in Mysuru. The visit included seminars on cloud computing, AI demonstrations, and interaction with senior software engineers. You found the experience extremely enriching and believe it will benefit future batches as well. You wish to formally express your appreciation for the hospitality and knowledge shared during the visit. Additionally, you would like to request that Infosys consider offering internship opportunities to students from your college.

Write a formal letter to the HR Manager, Infosys, Mysuru Campus. Your letter should: 1. Express gratitude for the industrial visit and hospitality, 2. Mention specific highlights of the visit, 3. Suggest potential collaboration in the form of internships for students.

Q.3 Solve this question : **[14]**

You are Priya Nair, a final-year B. Tech student in Electronics and Communication Engineering at Sardar Patel Institute of Technology, Mumbai. You are currently preparing to apply for a summer internship at a Bengaluru-based AI startup, Mind Byte Technologies.

Over the past year, you have actively upskilled yourself. You completed an "Artificial Intelligence Foundations" course on Coursera, and earned certifications in both Java and Python programming through NPTEL. You also developed a mini-project titled "Smart Traffic Light System Using AI" as part of your final year coursework. You are now required to draft a one-page résumé to apply for this internship, highlighting your technical skills, certifications, academic background, and relevant project work.

Q.4 Solve both questions : **[14]**
